Same here. My self and several other people on my team have registered as of yesterday and no one has received anything yet. Estella would you happen to know if others have had success with the registration process so far?

Everyone,

The online registration portal is directing to a page that says registration is now closed. Online registration was to remain open until 11:59pm tomorrow. Several reports of persons wanting to register and being unable to do so. Thanks to Jacob Van Horn for identifying a possible âwork around.â This link takes you to the registration required fields. If you or anyone you know still needs to register, try this link and let us know if it works:

Also, Gen. Jeff on Facebook this afternoon: the âformation committeeâ now wants to change the boundaries and remove Main St. and the portion of Little Tokyo. As we understand it, that cannot be done without scrapping this effort and starting over with an entirely new subdivision application. Iâve attached his post.
